

JAMES NANCE

Director of Field Operations

Texas Farm Bureau

James "Jim" Nance was appointed Director of Field Operations on December 1, 1995. Nance served as field representative for South Texas from July 1989 until December 1990 when he was appointed lead field representative for South Texas.

Born in Cotulla, Nance received his bachelor of science degree in animal science from Texas A&I University in 1971. Before joining the Farm Bureau staff, he was manager of a supply company.

He and his wife, Candy, have three children.
